## **CRCHC Establishes Migrant Health Clinic with Patterson Farms, Inc.**

*Concord, NC* – Cabarrus Rowan Community Health Centers, Inc. (CRCHC), announces a partnership with Patterson Farms, Inc to establish a migrant health clinic at Patterson Farms for seasonal and migrant farm workers.

The partnership between CRCHC and Patterson Farms, Inc will provide an on-site clinic on a monthly schedule at Patterson Farm located at 3060 Millbridge Road, China Grove, NC. Services will be offered on a seasonal basis from May to November and include, Primary Medical, Behavioral Health, Patient Health Education, and Transportation Services to CRCHC network of clinics for further access to services.

"We are very excited to partner with Patterson Farms to bring primary care and behavioral health services to this patient population. I see great potential for this program to make a real difference with in the migrant and seasonal farm worker community and we are glad to be playing a role in it" said Don Holloman, Chief Executive Officer at CRCHC.

"It is great to provide healthcare onsite to eliminate the barriers of both language and transportation" said Dr. Lydia Adams, Medical Director at CRCHC.

"Our employees have found great value in the on-site clinic CRCHC offers here at Patterson Farm, Inc. This clinic has allowed our employees the freedom of scheduling their own appointments, controlling their individual treatment plans in a confidential manner and has improved their physical health. We hope this partnership will continue grow and be advantageous to both CRCHC and our Patterson Farm, Inc. employees" said Nora Patterson, owner of Patterson Farm.

Cabarrus Rowan Community Health Centers, Inc. (LCHC) is a community-based nonprofit organization, founded in 2003 and dedicated to positively impacting the health of our community, one patient at a time through Cabarrus and Rowan Counties. CRCHC serves more than 9,000 clients annually by providing quality primary care and behavioral health services without regard for a patient's ability to pay and serves as a community resource for eliminating health disparities
