CRCHC launches New Mobile Unit for COVID Testing, Medial & Oral Health Services

***Concord, NC** – Cabarrus Rowan Community Health Centers, Inc. (CRCHC), announces people who live and work in communities hardest hit by COVID-19, CRCHC has launched a mobile unit that will provide COVID testing, Vaccination, Primary Care and Oral Health services to the communities we serve.*

The unit will travel throughout the CRCHC service area to provide primary care, dental, lab/screening, COVID-19 testing, and community outreach and education services to meet the needs of the community, and will travel to all CRCHC sites and community partner locations to provide services

“As we think about tackling inequities in health care, it’s essential that we build stronger ties to the communities that could use our support,” says Lydia Adams, MD, Chief Medical Officer at CRCHC “This mobile unit will helping us to bring resources directly to the people that need them most and are removing some of the barriers to health care that many face.”

Cabarrus Rowan Community Health Centers, Inc. (CRCHC) is a community-based nonprofit organization, founded in 2003 and dedicated to positively impacting the health of our community, one patient at a time through Cabarrus and Rowan Counties. CRCHC serves more than 12,000 clients annually by providing quality primary care and behavioral health services without regard for a patient's ability to pay and serves as a community resource for eliminating health disparities.
